

Bally Panel Finished Product

SAFETY DATA SHEET

1. Product And Company Identification

Product Name: Bally Panel Finished Product
Responsible Party: Bally Refrigerated Boxes, Inc.
135 Little Nine Drive
Morehead City, NC 28557

Information Phone Number: +1 252-240-2829
Emergency Phone Number: +1 800-242-9300 (24 hrs.)

SDS Date of Preparation: 06/02/2016
Product Use and Uses Advised Against: Insulation panels for refrigerated boxes.

2. Hazards Identification

GHS Classification: This product is classified as a Manufactured Article

GHS Label Elements: None

3. Composition/Information on Ingredients

Component	CAS No.	Amount
Foamed polyurethane or polyisocyanurate covered in metal sheathing	N/A	100%

The exact concentrations are a trade secret.

4. First Aid Measures

Eye contact: None expected.
Skin contact: None expected.
Inhalation: Not an expected route of exposure.
Ingestion: Not an expected route of exposure.

Most Important Symptoms: This product is a Manufactured Article and does not present any hazard for final use.

Indication of Immediate Medical Attention/Special Treatment: No immediate treatment is normally required.

5. Firefighting Measures

Suitable (and Unsuitable) Extinguishing Media: Use any media that is appropriate for the surrounding fire.

Specific Hazards Arising from the Chemical: This product is not classified as flammable or combustible. Insulation will burn under fire conditions. Combustion may produce carbon dioxide, carbon monoxide, traces of hydrogen cyanide, halogen acids and nitrogen oxides.

Special Protective Equipment and Precautions for Fire-fighters: Firefighters should wear positive pressure self-contained breathing apparatus and full protective clothing for fires.

Bally Panel Finished Product

SAFETY DATA SHEET

6: Accidental Release Measures

Personal Precautions, Protective Equipment, and Emergency Procedures: None required.

Environmental Precautions: Manufactured article: presents no particular risk to the environment.

Methods for Containment and Clean-Up: Pick up and place in a suitable container for disposal.

7. Handling and Storage

Precautions for Safe Handling: Use in accordance with product instructions. If product is cut, avoid the generation of dust.

Conditions for Safe Storage, including any Incompatibilities: Store and care for in accordance with product instructions. Protect from physical damage. Keep away from open flames and ignition sources.

8. Exposure Controls / Personal Protection

Exposure Guidelines:

CHEMICAL	EXPOSURE LIMIT
Foamed polyurethane or polyisocyanurate	None Established

Engineering Controls: See product instructions for specific operating conditions and tolerances. If product is cut, use local exhaust ventilation or appropriate vacuum to collect any dust generated.

Personal Protective Equipment

Respiratory Protection: None required with normal use.

Gloves: None required with normal use.

Eye Protection: None required with normal use.

Other Protective Equipment/Clothing: None required with normal use.

9. Physical and Chemical Properties

Appearance:	Rigid cellular plastic boards, sheets, and blocks covered in metal sheathing.
Odor:	Odorless.
Odor Threshold:	Not applicable
pH:	Not applicable
Melting/Freezing Point:	Not applicable
Boiling Point:	Not applicable
Flash Point: :	Not applicable
Evaporation Rate: (n-butylacetate =1)	Not applicable
% Volatile by Volume:	0%
Lower Flammability Limit:	Not applicable
Upper Flammability Limit:	Not applicable
Vapor Pressure:	Not applicable
Vapor Density(Air=1):	Not applicable

Bally Panel Finished Product

SAFETY DATA SHEET

Solubility:	Insoluble
Autoignition Temperature:	Not applicable
Decomposition Temperature:	600-800°F (316-427°C)
Viscosity:	Not applicable
Explosive Properties:	None.
Oxidizing Properties:	Not applicable
Specific Gravity (H₂O= 1):	0.19 – 0.48

10. Stability and Reactivity

Reactivity:	Not reactive
Chemical Stability:	Stable.
Possibility of Hazardous Reactions:	Hazardous polymerization may occur if exposed to ignitions sources, and open flames.
Conditions To Avoid:	Ignition sources and open flames.
Incompatible Materials:	Avoid strong oxidizing agents, acids and alkalis.
Hazardous Decomposition Products:	Thermal decomposition may produce carbon dioxide, carbon monoxide, traces of hydrogen cyanide, halogen acids and nitrogen oxides.

11. Toxicological Information

POTENTIAL HEALTH EFFECTS:

Acute Hazards:

Eye Contact:	This product is a Manufactured Article and does not present an exposure hazard to the eyes.
Skin contact:	This product is a Manufactured Article and does not present a hazard in contact with the skin.
Inhalation:	This product is a Manufactured Article and does not present an inhalation hazard.
Ingestion:	This product is a Manufactured Article and ingestion is an unlikely route of exposure.
Chronic Hazards:	None currently known.

Carcinogenicity Listing: This product is a Manufactured Article and does not present a carcinogen hazard for final use.

Acute Toxicity Values:

Not acutely toxic.

12. Ecological Information

Ecotoxicity:
No data available. No adverse effects on the environment are expected.

Persistence and Degradability: No data available

Bio accumulative Potential: No data available

Mobility in Soil: No data available

Other Adverse Effects: No data available

Bally Panel Finished Product

SAFETY DATA SHEET

13. Disposal Considerations

Dispose of in accordance with all local, state/provincial and federal regulations.

14. Transport Information

DOT Hazardous Materials Description: Not Regulated

Canadian TDG Hazardous Materials Description: Not Regulated

IMDG Dangerous Goods Description: Not Regulated

15. Regulatory Information

United States:

EPA TSCA INVENTORY: All of the components of this material are listed on the Toxic Substances Control Act (TSCA) Chemical Substances Inventory.

CERCLA Section 103: This product is a manufactured article and not subject to reporting.

SARA Hazard Category (311/312): This product is a manufactured article and not subject to reporting.

SARA 313: This product contains the following chemicals subject to Annual Release Reporting Requirements under SARA Title III, Section 313 (40 CFR 372): This product is a manufactured article and not subject to reporting.

State Regulations:

CALIFORNIA PROPOSITION 65: This product contains a chemical known to the State of California to cause cancer, birth defects, or other reproductive harm.

16. Other Information

SDS Revision History: NEW SDS

Date of preparation: June 02, 2016

Date of last revision: N/A
